

# ST PETER CATHOLIC SCHOOL

Growing in virtue and performing works of mercy strengthen our relationship with God. Join us in strengthening St. Peter Catholic School, its students, and families by supporting our **Fund-a-Need** campaign!

The pandemic has made the past two years particularly challenging for our school. But, in the words of St. Thomas More: "You wouldn't abandon a ship in a storm just because you couldn't control the winds." Indeed, St. Peter Catholic School is prepared to not only survive, but thrive, with your help! We are buoyed by our firm belief that our world and our families need Catholic education now more than ever. We prayerfully ask you to join us in that mission.
