

THANK YOU, THANK YOU, THANK YOU

Dear Parents,

Just a note from us to say thank you for supporting our fundraising program! We have the majority of families from St. Peters purchase Scrip along with many families from Blessed Sacrament Parish.

In order to keep tuition from rising, the School Advisory Council has approved Scrip participation as part of our tuition package for the 2015-16 school year. Each family is required to earn \$100.00 for the school through your Scrip purchases. Make a habit of buying Scrip when you go to Walmart, Albertsons, Red Apple, or anywhere else we have cards. You have to shop anyway. Each \$25.00, \$50.00, or \$100.00 card makes a difference. Some cards pay as much as 5%-20% toward earning money for our school. We raised approximately \$6,000.00 last year and not a dime of that came out of our pockets!!! (For example: You pay \$100.00 for a Red Apple gift card. You spend \$100 at Red Apple and St. Peter School gets \$5.00 (5%)). It's an amazing tool for non-profit schools and we are excited to see the results.

Scrip will continue being sold at Mass over the summer and also during the school's office hours: Tues-Thurs, 9:00–3:00 pm.

Have a beautiful and restful summer with your families! ☺

Patti
