Dear applicant,

Thank you for your interest in St. Peter Catholic School. Here at SPCS we have a mission to educate God's children and to form them into saints.

We can only take on this mission with the conviction that Jesus is our guide and our model as we strive to accomplish this mission. He is present in every child, just as he is present in every docent who crosses through SPCS doors.

St. Peter Catholic School offers a value-based quality education, nurturing and challenging children to grow toward spiritual, intellectual, emotional, and physical maturity. Our school program is based on Gospel principles which are applied to life experiences. We believe that a strong, academic program enhances the school's positive and value-based environment. We believe it is this total experience that prepares students to join teachers, parishioners, and parents working to become healers and builders of a faith community in the name of Jesus, Lord, and Redeemer.

If you are ready to join our team, please complete an employment application together with the documents listed below.

- Licensed Teacher: attach your resume, a letter of interest, a copy of your unofficial transcripts, and a copy of your teaching license.
- Classified: attach a letter of interest, any certification pertaining to the job description; eg. CDA, and unofficial transcripts (if applicable).

Yours in the cause of education,

*Mirta A. Diaz*  
SPCS Head Teacher
